About This Game

A short 2.5D adventure platformer developed over the course of 3 months by a 3 person team. Travel along with a woman and her child surviving during an alien invasion. Inspired by classic sci-fi, this quiet, melancholy journey will show the depths a mother will go to protect her child, if she can survive...

Features:

- Survival Horror: You are a mother and her baby in a hostile environment, outsmart or outrun the threat to survive
- Grapple Slug: Obtain an alien slug that functions as a grappling hook
- The Virus: Get infected by a smart mouthed alien parasite
- Quiet Beauty: Gorgeous, hand-drawn characters and environment textures
